

Life in the City of Gosnells

Australia Day Big Breakfast returns

Celebrate Australia Day in the City of Gosnells with a hearty breakfast and entertainment for everyone.

Held between 8am and 11am and stretching through Gosnells Town Square, Federation Parade and Centennial Pioneer Park, the Australia Day Big Breakfast includes lots of Australian animals to meet, children's activities and bush crafts, stage performances, roving entertainment and much more.

At 10am, the Citizen of the Year Awards will be announced, recognising some of the City's most inspiring residents and community groups.

The event will bring people together to celebrate the City's diverse and vibrant community, and to acknowledge the contribution that everyone makes to our community, from First Nations People to our newest Australian citizens.

Gosnells Rotary Club will be in charge of the barbecue for the morning, with Big Breakfasts available for \$11 and small servings for \$5. Food trucks will also be available, including vegan options.

Federation Parade will be closed to traffic for the event.

People aged 16 years and over attending this event must have proof of COVID-19 vaccination, as required by the State Government. Please ensure you check in via the ServiceWA app, SafeWA app or manual register.

Councillors' Corner

From the spectacular Ellis Brook Valley, to the Canning and Southern rivers, the beautiful Mary Carroll Wetland and the Greater Brixton Street Wetlands, our City is rich in natural assets.

Major upgrades are planned at Homestead Park and Mary Carroll Park, which will provide new playgrounds, picnic areas and more, providing quality facilities so the whole community can enjoy these beautiful natural spaces.

In addition to the ongoing management and rehabilitation of local bushland areas, such as Ellis Brook Valley, the City has also introduced Cat Prohibited areas to protect our local wildlife. And by hosting a wide range of events at parks across the City and supporting Parkrun groups and the Gosnells Armadale Landcare Group, the City encourages local residents to use, explore and get involved in protecting these valuable natural assets.

It is fantastic to be a part of a Council that is determined to activate, protect and celebrate these great attractions.
