

Tender Register 2022

Request ID:	46271
Tender Number:	Tender 12/2022
Tender Name:	Purchase of Drainage Inspection Van, including CCTV Equipment and Fit-Out
Description:	<p>The Principal invites tenders for the supply and delivery of a dedicated stormwater drainage inspection van, CCTV robotic crawler, hardware and software with integrated battery system.</p> <p>The Respondent will be required to provide the vehicle, equipment and fit-out, plus on road costs and delivery to the Principal's Operations Centre.</p> <p>The main function of the van is to conduct structural condition assessments of the Principal's drainage network and investigate flooding issues. It is envisaged that this unit will work approximately 40 hours per week, and for periods of up to 10 hours of continuous use.</p> <p>The vehicle will be required to travel at an acceptable road speed, from the Principal's Operations Centre, located at 2 Canning Park Avenue, Maddington, to various sites throughout the Principal's municipal boundaries. The daily travel range is expected to be between 40 to 50 km.</p> <p>The vehicle must be capable of working in and around streets safely and efficiently.</p> <p>The gross weight of the complete unit is to be under 4.5 tonnes and eligible to be driven with a C class licence.</p> <p>The system is to include a full high-definition drainage CCTV camera and crawler unit installed with WinCan VX Pro. The crawler is required to traverse up to 300m of wet drainage pipes, while outputting captured data to the WSA05-2020 coding standard. The crawler system must be capable of being utilised by a single operator for drainage pipes of 225mm in diameter or greater. Cloud based storage option of CCTV data favoured.</p>
