

## TRANSPORT POSITION STATEMENT: SEVENOAKS STREET (SOUTH OF WILLIAM STREET TO ALBANY HIGHWAY)

### Council's Position

Council seeks the removal of the Other Regional Road (Blue Road) status on Sevenoaks Street (south of William Street to the intersection of Albany Highway) based on traffic modelling which indicates that this section of road will not receive large traffic volumes into the future. Removal of the designation is also advantageous because there would be significant costs and a loss of environmental amenity in upgrading this section of road to a Blue Road standard. A plan of the relevant section of Sevenoaks Street follows:

### Relationship to Strategic Community Plan

*Goal 4.4 -Maintain a high-quality road and footpath network.*

This Goal has the outcome of ensuring that major roads within Gosnells have the capacity to meet demand.
