

# The BiG Event

## Switch Your Thinking for Business

At this month's Business in Gosnells BiG Event you will learn ways to reduce the carbon footprint of your business.

Have you ever wondered how easy it is to make sustainable and environmental changes to your business and save money? Being energy efficient is one of the best ways you can reduce your business's carbon footprint. Energy is indispensable in the modern world, but there are many ways we can be smarter about its use.

Register now for this free networking event. Drinks and finger food will be provided.
